

Financial Information

You will need to have (or be able to raise) around £16,000 to invest in the business. How do you propose to raise the money for your business?

Other Information

Have you ever owned your own business?

If yes, have you ever been involved in a business which has failed? (Give details)

Are you considering other franchise opportunities? (Give details)

Why do you wish to own your own business?

What attracts you about the Motivation & Co. franchise?

What qualities do you believe are necessary to be successful in business?

When would you wish to start your business?

What area(s) are you interested in?

Do you plan to include anyone else in the business?

Do you have the full support of your family?

(Please include any other information which you believe is relevant on a separate sheet.)

DECLARATION - I declare that the information given herein is, to the best of my knowledge, true and accurate.
